**SUPPLEMENTARY INFORMATION DISCLOSURE STATEMENT**

Dear Sirs:

In accordance with 37 C.F.R. §1.56, the Applicant encloses a completed supplementary Information Disclosure Statement.

The foregoing Information Disclosure Statement is supplementary to the Information Disclosure Statement filed on June 17, 2004 and reflects references cited in the search report for the corresponding United Kingdom application. Prompt consideration of this Information Disclosure Statement and the references by the Examiner is respectfully requested.

Two (2) German patent documents are cited on the enclosed Form PTO/SB/08a. Copies of each reference, as well as a copy of an English translation of the abstract of DE 38 34 109 A1, are enclosed in accordance with 37 C.F.R. §1.98.

The above noted references were cited in the search report of the U.K. Patent Office dated December 23, 2004, a copy of which is enclosed. A concise statement of the relevance of the references is set out therein.

This supplementary Information Disclosure Statement is filed more than three months after the filing date of this application but before the first Office action, and is therefore deemed timely under 37 CFR §1.97(b).

Each item of information contained in the supplementary Information Disclosure Statement was first cited in a communication from a foreign patent office in a counterpart foreign application not more than three (3) months prior to the filing of the Information Disclosure Statement. In particular, the information was first cited in a search report by the U.K. Patent Office dated December 23, 2004 in respect of the counterpart U.K. application.

According to the terms of 37 C.F.R. §1.97(g) and (h), this Information Disclosure Statement shall not be construed as a representation that a search has been made, an admission that the information cited is or is considered to be material to patentability, or that no other material information exists.

Should any Patent Office official want to telephone, the call should be made to Mark D. Penner (Registration No. 48,092) at 416.863.4283.
